BOISE STATE UNIVERSITY
2015 MASTER PLAN UPDATE

Proposed to be adopted as an amendment to the City of Boise, Comprehensive Plan

Neighborhood Meeting
13 August 2015
framework master plan
2008 update

2008 MASTER PLAN UPDATE
2015 MASTER PLAN UPDATE

- Goals based on 2012 Strategic Plan
- Build on principles in past plans
- Integrate current projects and plans
- Plan for future expansion
  - Strategic
  - Flexible
  - Implementable
Goal 1: Create a signature, high-quality educational experience for all students.

Goal 2: Facilitate the timely attainment of educational goals of our diverse student population.

Goal 3: Gain distinction as a doctoral research university.

Goal 4: Align university programs and activities with community needs.

Goal 5: Transform our operations to serve the contemporary mission of the university.
MASTER PLAN STEERING COMMITTEE

Campus stakeholders

• University Leadership
• Academic-Research Colleges
• Athletics
• Residence Life
• Student Health + Recreation
• Parking + Transportation-Transit
